THE EXHIBITION

**A NEW, HIGHLY FOCUSED EVENT FOR THOSE THAT
MANUFACTURE OR SPECIFY INDUSTRIAL VEHICLES WILL
LAUNCH THIS FEBRUARY.**

Featuring four specialized conferences that address the critical issues shaping vehicle development, and a free-to-attend exhibition showcasing the latest components and technology, IVT Expo will offer exclusive insights into how to reduce emissions, increase automation, improve comfort and boost the efficiency and durability of your next vehicle – all under one roof.

**80+
EXPERT
SPEAKERS**

**FOUR
DEDICATED
CONFERENCES**
(RATES APPLY)

THE CONFERENCE

**FOUR SEPARATE CONFERENCES THAT ADDRESS
THE ISSUES THAT REALLY MATTER TODAY:**

Increasing hybridization and electrification; autonomous vehicle technology; improved cab design and ergonomics; and greater powertrain efficiency and reduced emissions.

**25% DISCOUNT
REGISTER NOW AND SAVE ALMOST €500**
